MaxKnowledge is Featured in Career Education Review

Oshkosh, WI, November 12, 2003 - Career Education Review, the information source for private career colleges since 1926, published an informative article on MaxKnowledge in its Features & Reports issue (November 2003).

"A rather unique service company has recently been formed to offer innovative e-learning and training solutions for career schools and colleges. Unveiled at the Career College Convention & Exposition in Las Vegas this year, MaxKnowledge has created an online learning portal exclusively for the career education industry. Dubbed as The Learning Center for Career Schools, the company brings a whole new light to career education support. The Career Education Review discusses the concept with Dr. Amir Moghadam, the founder and executive director of MaxKnowledge."
